

# Dog Doors for Your Simpson Door

Simpson® is combining two of our great loves, the love for our home and our pets, with the introduction of its dog door collection. Simpson can offer dog doors in a variety of existing Simpson door designs and is featuring both the 49971 and 7008 designs as its standard dog door designs.

## High Quality Dog Door Using the Best Components

- Heavy-duty aluminum frames and high-performance springs.
- Door made with shatter-resistant K9 composite saloon-style panels that do not require vinyl replacement flaps. Each panel includes high-density industrial weatherseal, keeping the AC and heat inside your home.
- Every dog door comes standard with lock, key, and 20-gauge steel security plate.

## Dog Door Pre-Installed in Your Simpson Door at the Factory

- Let Simpson take the hassle out of the dog door install.
- All internal wood components sealed at the Simpson factory.
- Full Simpson door warranty ONLY if Simpson installs the dog door.
